

Frustration

Day in, day out...

Week in, week out...

Please God, please not

Year in, year out...

“All good things come to those who wait”:

Yet I have waited and I have worked,

Taking my Time to do things right;

And because of this it is said,

I have made mistakes...

“I wandered lonely as a cloud”:

Searching the globe through mild and wild,

Seducing its secrets – The Senses beguiled;

Yet through these distractions I have learnt

‘Seduction’ is a place called Home...

“Home is where the Heart is”:

Where Passion and Desire burn like fire,

In pursuit of dreams – The Will to succeed,

There I’ll have my heart;

Not in the ravages of reality...

“A fair day’s work for a fair day’s pay”:

And see my Passion entombed in toil,

My prospects’ arid, the die is cast

Each day as ‘fair’ as the last,

Day after day after day after day...

...in, day out...

Week in, week out...

Please God – please God, not

Year in, year out...
